

Dear Bachelor of Management student,

This is to provide you with a further update about MGMT course offerings for 2020W.

Currently the UBC-Okanagan course schedule is being adjusted to accommodate changes associated with moving to online delivery for Term 1. We expect to have an update for you in early June about when the online course schedule will be available. FYI, registration dates are posted at <https://students.ok.ubc.ca/courses-money-enrolment/registration/registration-dates/>; please note, these dates might be revised to accommodate continued course schedule changes.

As mentioned in the last message to you, for Winter Session Terms 1 and 2, we will offer all MGMT courses that are required for progression or completion of your program. We are not able to offer as many upper-level electives as we had originally planned in the pre-COVID world. Electives were selected to balance topic areas across the two terms. Please see the attached PDF file for the list of all BMGT courses that will be offered in 2020W.

Course descriptions are available at:
