

THE UNIVERSITY OF BRITISH COLUMBIA

Faculty of Management

Dear Bachelor of Management student,

This note provides an update about plans for the Bachelor of Management program for Winter Session 2022, Terms 1 and 2 (September 2022 – April 2023). We are preparing for the 2022/23 academic year with the expectation that all students will be in Kelowna and thus are envisioning an essentially on-campus program. While doing so, we are continuing to learn from the last couple of years and we will embrace COVID-inspired innovations of online content and interaction, where that meets the needs of the pedagogy of the course and the overall learning experience.

We will update and share with you any developments and changes as they occur. If the delivery format for a particular MGMT course changes after registration has opened, an email communication from the Faculty's Academic Programs Office will be sent to all students registered in the course, and the delivery mode for the course will be updated in the [SSC Course Schedule](#).

If you have any questions, please get in touch via [fom.bmgt@ubc.ca](mailto:fom.bmgt@ubc.ca).

Best,

Dayl Hancock
